

Discovery & Job Development for Individuals with Autism

COEUR D'ALENE, IDAHO OCTOBER 4-5 2011

OCTOBER 4-5, 2011

Everyone can work, and this training, in collaboration with Blue Sky Planning, using examples from across the country, reveals best-practice in **Customized Employment** meeting the unique and often complex circumstances of individuals with significant disabilities. This training also partially fulfills Certification in Community Employment from the Association of Community Rehabilitation Educators (ACRE).

Who Should Attend?

Individuals seeking employment, Family members, Educators & Rehabilitation personnel

This Interactive Seminar addresses:

3rd Dimension Job Development

Essentials of Discovering Personal Genius

Designing Discovery Activities

Developing Vocational Themes

Conducting Informational Interviews with Employers

Leveraging Social Capital

Moving from Smooth Talking to Smooth Listening

“Going Where the Career Makes Sense”

Employing Economic Development strategies

Social Security Work Incentives

Negotiating unique jobs in small companies
